

Werkarztzentrum Westfalen Mitte e.V.

Are you a doctor? Do you want a long-term job in occupational medicine in Germany?

Do you know a doctor living abroad who may be interested?

We are a large, regional, industry-wide centre for occupational medicine looking for a new colleague to work in medical prevention in local companies.

We are

looking for a doctor with experience in general practice (m/f)

to start immediately in an open-ended part-time or full-time position. The applicant should have

- a degree from an EU country
- at least two years of certifiable clinical experience (of which at least one year should be in general internal medicine)
- good written and spoken German
- a driver's licence issued by an EU country
- a desire to stay in Germany and continue to work in medicine.

We are offering

- an ambitious and diverse job as a doctor in occupational medicine
- training to become an occupational physician in accordance the German Medical Association regulations (3 years study whilst working with final examination)
- help finding accommodation and with authorities
- assumption of costs for the occupational medicine training courses
- a chance to work in a great team of occupational physicians and doctor's assistants
- regulated working hours (no weekends or night shifts)
- payment at local rates

Please send your application by e-mail to the medical director:
